Sir,

With reference to your letter No. 7036/C.1585 of the 15th March 1921 asking for 3 days' casual leave on the 22nd 30th and the 31st instants so that you may take 10 days' rest utilising the intervening holidays, I have the honour to state that the 23rd March is not a general holiday but it is a partial holiday for Hindus only. If you wish to avail yourself of 10 days in all, 4 days casual leave on the 22nd, 23rd, 30th and 31st would be necessary. The Government will have no objection to your ~~doing so~~ taking four days.

The actual number of days casual leave utilised by you may kindly be re-

over.

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

Dr Coleman has requested casual leave on the 21st 22nd 28th & 30th with permission to utilise the Easter holidays (6th 8th) the proposal now is that he will do some special work on the 31st & take further casual leave for the 1st — This looks like an evasion of rules to suit the period of casual leaves & holidays together to 10th 8th — Favourable action could be taken on Dr Coleman's proposal if he attends office on the 31st & then proceeds on casual leave

MS

Please see art 37 m s R. I think the rule in this article applies to resumption of office as well & it is not in the public interests that he should rejoin duty at Kolar & proceed on leave the next day. I am afraid the proposal is strictly not in accordance with rules

I fully appreciate the views expressed by the Asst. Secy. but it seems to me that in this particular instance a slight relaxation of the strict application of the rule can be permissible. The circumstances were rather unusual & I told Dr. Coleman that he need not feel worried over the matter. Further it would have cost the Govt. more if Dr. Coleman had returned to H.Q. Quarantine on inspection came back to H.Q. Qrs. & then gone on leave again. I am therefore of opinion that an exception may be made in the present instance. Dr. Coleman may be informed D.O. in reply.

Dear Lay/Lamond a Rao,

Before leaving Bangalore I sent you an application for leave combined with Easter holidays. I am not quite sure whether I can take it as a regular course but believe I can. I took my leave from the 1st so it is up tomorrow. As I am still ailing a little but well I propose doing a days inspection in Sattlers per ~~tomorrow~~ on Thursday and then going on further casual leave. I believe that ought to fix me up. I trust that you will be able to get approval of the arrangement.

I have resting for the past nine days and believe it has done me good. The weather here is much cooler than it is

in Bangalore

With kind regards

Yours sincerely

GOVERNMENT OF MYSORE

General and Revenue Secretariat,

Bangalore, the 5th April 1921.

Dear Dr. Coleman,

With reference to your letter addressed to the Second Member enquiring whether you could resume duty at Lakkipur on the 31st March after the ten days leave you have taken and then take casual leave again, I am desired to state that the Finance Department has pointed out that this would be inadmissible as it would contravene the rule requiring that resumption of charge can only be at headquarters.

Yours sincerely,

Dr. Leslie C. Coleman, M.A., Ph.D.,
Director of Agriculture in Mysore.
